Adrian McWilliams presented info on free tutoring available for K-12 for free/reduced lunch children at ALL of our public schools & some churches. Children sign up at school.

Jack moved and Amy seconded that the minutes from last meeting be approved. Treasurer's Report shows a balance of \$1241.16.

Website-

Steve H. reports on Google Ad Words. He says that Google is not making enough money on our words (40cents/month) so may want to discontinue them, he said everyone should click on our website and link theirs to ours.

Community Appearance-

SIGNS! Bob Brooks prepared several choices for sign design and Sandy also did a drawing. We had a round robin discussion with everyone having something to say. Bob was sent back with six criteria to meet-use existing sign, make top DS part bigger, add landscaping, check out with Lions Club, incorporate existing nonprofits, and add DSCA logo. Thanks to Bob and Sandy for all their hard work.

Health Department-

Ongoing water testing, results will be made available when the return from lab. Fall cleanup of litter will be joint effort with our group.

Utility Task Force-

Feasibility study completed. EPI engineering has donated a valuable service and we should all support them with our business if we can.

Announcement-

Movies. the next two Wednesdays at Baptist Church. Head Start provides Thanksgiving baskets and Christmas toys to all their children with Lions Club, we may be able to help.

Next meeting-

September 13, 2011, Tuesday, 6 pm
