

**DeLeon Springs Community Association
Minutes, December 14, 2010**

In Attendance: Don Malmborg, Jan & Jack Nunn, Len & Rose Litwiniec, Lorraine Sullivan, Jennie Mero, Amy Munizzi, Diane Skofield, Laura Strawn, Amy & Lee Munizzi, Tammy Shuler, Carmen Grados, Bob Brooks, Mickey Hiatt.

Meeting called to order at 10 am by Len Litwiniec. Thank you to everyone who contributed to a beautiful holiday selection of treats.

Introductions included Jan Karnes Nunn who does charity outreach with low income women in DS, and Jenny Mero who has a new children's book for sale. She will donate \$1 to the group from any purchase made within the group. Also welcoming new person Diane Skofield who does personal energy counseling.

Minutes not available for approval, Treasurer's Report submitted by Tammy we have \$350.01 in bank.

Website-no news. Site links are working.

Community Appearance- Signs at two ends of town could be modified and sponsored by this group. General consensus was that this is a good idea, to include churches, etc. Don also has a lighted changeable sign that can go in front of Porter House.

River of Lakes- group would like money spent on beautification, perhaps on plantings and median improvements. Perhaps the Taylor HS horticulture-4H students could be tapped for community service hours.

Projects-

Santa is scheduled for Dec 17. The Nunns will be Santa and Mrs Claus. Diane will be an elf. A tree will be procured and decorations should be dropped off at the inn or Antiquish.

February Farmer's Market/Garage Sale- Will plan in January. Not sure if local farmers will have been frozen out. Amy will bring goats. Bob collecting yard sale items. Don working on site. Remember that Barberville Farmer's Market is the first and third Saturday of the month.

Utility Task Force-last meeting was mostly positive. Amy & Don are contacting business owners south of DS to the McDonald's. Lots of progress with contacts out to Fred Costello, Joyce Cusack, John Mica. Amy & Don had a meeting with Andy Kelly. A group met with City of DeLand Utilities (a private group not part of the City of Deland) who would provide our water/sewer. A group met with Ken Mitchell from Nat'l Clean Water which sells vacuum systems. MANY good emails are being distributed about this process, if you would like to be on the list contact Laura. Next meeting January 20, 2011, at 7 pm at DS United Methodist Church. Bring a canned good for the church's pantry.

New business-New park manager at Lake Woodruff, Lance from Hawaii and his wife and daughter. Rose & Len met them at an open house at the Refuge.

Old Business-Bob Brooks is working on a brochure prototype with E.O. Painter Printing.

NEXT MEETING January 11, 2011 at 9 am for coffee, 10 am for business meeting.

Respectfully submitted, Laura Strawn, Secretary
